WORK EXPERIENCE

Itux Solutions

Full Stack Developer Intern

Nov 2024 - Present

- Developed a **fully functional e-commerce platform** for dairy and farming products using the **MERN stack**, implementing **secure authentication (using firebase)**, **cart management**.
- Designed and built **three customizable school website templates**, optimizing user experience and responsiveness.
- **Currently working on EdERP**, a school management system designed to provide an **efficient and user-friendly platform** that highlights each school's **offerings, achievements, and updates** while catering to the needs of **students, parents, and administrators**. The system includes **static websites** for multiple schools, ensuring each institution's **unique identity and programs** are effectively represented.
- Collaborated with a team to follow **agile methodologies**, including sprint planning and code reviews.

EDUCATION

Deogiri College, Aurangabad

Bachelors of Computer Science

June 2021 - June 2024
